Our curriculum is designed to introduce young dancers to movement and music through creative approaches and interaction. The class will be divided in two parts; first introducing young dancers to the fundamentals of ballet, and then to the exciting and rhythmic world of tap. Our curriculum teaches the fundamentals of dance while incorporating many creative aspects of musicality, rhythm, and partner work. Class will take place weekly for 90 minutes. The allotted time will include a 45 minute dance class, 15 minute snack/rest, and a 30 minute arts activity to end the class.

Payment Accepted in Cash or Check

\$15 non-refundable Registration Fee due at time of enrollment.
