New Kindercombo dancers try on their tap shoes for the first time with Miss Mikayla

WHY DO WE LOVE TO DANCE TOGETHER AT CSDS???

These answers start to reveal themselves as we step fully into Season 27 and embrace the continuous learning & growth process witnessed each week in our studio classroom. This Fall we're thrilled to welcome a vibrant community of Kindercombo dancers to our Tuesday Children's program. We're proud to see so many dancers advance technique levels and embrace the upward learning curve that dance education has to offer. CSDS' Tap program is growing and we are proud to introduce the Adult Tap series in addition to the Youth, Intermediate, and Advanced programs in place. Ballet remains a core element of our dance program and we applaud our dancers for 'raising the barre' through their focus and discipline. The same is true for our elemental Street Dance program which Mr. Fadayz has fostered so thoughtfully. We are proud to be building our CSDS community day by day with purpose. **If you love what we do at CSDS, please spread the word to friends & neighbors that Online Fall enrollment remains open for a few more weeks for ages 5 to 8 years old!** Stay tuned for information on the Winter session/Semester 2, exciting CSDS Company performances, and community collaborations in the works. We thank you for being a part of CSDS and look forward to sharing in the joy of dance in the weeks & months to come.

Much love and Happy Dancing!
Miss Christina, Director

Tina Cassidy, Ballet Teaching Artist Fadayz, Street Dance Coach
Mikayla Martin, Teaching Artist / Company Manager Jason Creamer, Jr. Teaching Artist / Admin Staff
Kaylah Leandre, Administrative Staff Jeannie Leonard Souza, Admin Staff
