DEAR CSDS DANCERS & FAMILIES:

The Winter break is over and the new year is brewing with classroom excitement at CSDS. Our esteemed faculty continue to build on the mechanics and technique of dance with your children in the classroom and will soon be introducing choreography to the dancers! The magic of the theater begins its work this winter as dancers find out their assigned

recital song followed by their recital costume unveiling in the Spring. We want to thank you for your continued commitment to safe & healthy practices, good attendance, and following the dress code attire for our CSDS programs. Your children are developing wonderful life skills along with their talent on the dance floor. Congratulations to the CSDS Company dancers who performed in Move for the Movement; a dance benefit which raises funds for the American Cancer Society, specifically in the area of local transport for patients to attend their appointments. We are proud to be a part of this worthy effort in the local dance community and appreciate your applause!

*Please visit **The CSDS Shop** stocked with new logo apparel, on sale now in the lobby! Custom orders also available from Fadayz Designz. Cheers to the new year, and happy dancing from all of us at CSDS!*
