Welcome to the start of our Company Performance season! Today you will receive your Repertory assignments and setting schedule for choreography. This newsletter provides important upcoming dates and information for your 2023 performance season. Please save this paper for reference & mark your calendars!

As Company Director/Instructor to all dancers on the Rep list, I want you to know how much thoughtful consideration goes into scheduling requests, rep suggestions, and choreographer assignments. As they say in life, *trust the process*. I look forward to an exciting season of new proportions, beautiful dance routines, and making memories on & off the stage. If you are seeking clarification on your rep assignment, please speak directly to Miss Christina.

HELPFUL TIPS FOR A GREAT REP SEASON

- Arrive 10 minutes early for Choreography rehearsals to warmup & stretch.
- Keep a notebook in your dance bag for choreography & rehearsal notes.
- Write down new choreography in your down words after each rehearsal.
- Make sure there is space on your phone to record choreography.
- Starting the week of 2/20/23, Rep pieces enter their 6-week rehearsal.
- It is the dancer's responsibility to retain & practice choreography in the time between setting choreo & starting your weekly rehearsals.

COMPANY PARENT REMINDERS

- Email invoices will be sent for all repertory pieces prior to setting rehearsals.
- Rep payments are made *directly to the choreographer*.
- These payments may not be combined with regular class fees/tuition.
- If you have not already done so, please complete payment for the Annual Company Fee of (\$225) at this time.

Thank you CSDS Dancers & Families!
